Sub: Notification regarding anonymous/pseudonymous complaints-Reg.

Sir/Madam,

It is observed that the office regularly receives anonymous and pseudonymous complaints and allegations against scientists and staff of the Institute.

In this regards, it is informed that as per the Vigilance manual and guidelines of the Central Vigilance Commission (CVC) no action is required to be taken by the Office or Competent Authority on any anonymous or pseudonymous complaints, except mere filing of the received papers in an office file.

Thus, anonymous and pseudonymous complaints will have no meaning to anyone and it will be a mere wastage of time for all those who send them or entertain them.

Also, please be informed that the Cyber Police is now much equipped to trace the sources of such complaints and identify the individuals who disturb the official functioning or individual(s) by sending anonymous or pseudonymous complaints habitually with vested interests, and take appropriate action as deemed to be fit.

The content of this notification may be widely publicised and brought to the notice of all scientists and staff of the Divisions, the Centres and Sections of the Institute.

Thanking you,

Yours sincerely,

(M Muruganandam)
