Training Programme on "PRA and Micro Watershed Planning" concludes at ICAR-IISWC

21st February, 2019, Dehradun

The ten-day Training Programme on "PRA and Micro Watershed Planning" organized by the ICAR-Indian Institute of Soil and Water Conservation (ICAR-IISWC), Dehradun in collaboration with MANAGE, Hyderabad concluded today.

The programme was organized from 12th to 21st February - 2019.

Dr. P.R. Ojasvi, Director, IISWC; Dr. B. Renuka Rani, Deputy Director (HRD), MANAGE and Dr. Bankey Bihari, Head, HRD&SS Division marked their presence during the valedictory function.

The programme registered the participation by the Delegates from 5 states.

The ten-day programme mainly focused on the different aspects of Participatory Rural Appraisal (PRA), basics of Watershed Management, convergence and networking for watershed management, delineation and watershed characterization, hands-on experience in GIS and remote sensing, etc.

The participants were provided with the exposure visits to the different project sites like Kalimati, Farmers' First Project, Raipur, and research Farm Selaqui to have a better understanding during the training programme.

The trainees were also conferred with Certificates on the successful completion of the training programme.

The training was supported by all scientists of HRD&SS Division - Dr. Ambrish Kumar, Dr. Lekh Chand, Dr. Indu Rawat, Dr. Trisha Roy and Dr. Madan Singh and staff of the HRD&SS Division.
