## **Swachhta Pakhwara at IISWC**

Dehra Dun, 16 May 2016. Padam Shree Dr Anil Prakash Joshi (an Environmentalist, Social worker and Director, HESCO-NGO) gave more attention to empower the society following old culture, social values and norms towards resource conservation and judicious use. The Director (IISWC), Dr P.K. Mishra, stressed upon the collection of degradable and non-degradable waste material separately for its easy management, decomposition and recycling. Dr Mishra said that cleanliness drive may be extended in *Mera Gaon, Mera Gaurav* adopted villages across the research centres. After in-depth interaction and deliberations on *Swachh Bharat Abhiyan*, all the staff took a round in the residential colony and cleaned the surroundings under the leadership of Director (IISWC), Dr P.K. Mishra.
