WATERSHED DEVELOPMENT IN INDIA

■ STATUS AND PERSPECTIVE ■

V. N. Sharda
G. P. Juyal
B. S. Naik

Central Soil & Water Conservation Research & Training Institute
218, Kaulagarh Road, Dehradun - 248 195 (Uttarakhand)

2008

Contents

Chapter	Title	Page No.
Preface		
List of Contributors		
1	Introduction	1
2	Guidelines for Watershed Development	4
2.1	Watershed Concept	4
2.2	Common Approach for Watershed Development	4
2.2.1	Guidelines for common approach	4
2.2.2	Guidelines for <i>Hariyali</i> (2003)	5
2.2.3	Criteria for selection of watersheds	6
2.2.4	Availability of maps	7
2.2.5	Development of forest lands in watershed areas	7
2.2.6	Project implementation agencies	7
2.2.7	<i>Gram Sabha</i> meetings	8
2.2.8	Self-help groups	8
2.2.9	User groups	8
2.2.10	Activities for watershed development	8
2.2.11	Funding pattern	9
2.2.12	Comparison of WARASA- <i>Jan Sahbhagita</i> and <i>Hariyali</i> guidelines	10
3	Major Watershed Development Programmes	12
3.1	Introduction	12
3.2	Development of Model Watersheds	12
3.3	Harmonization of Databases of Land Degradation	13
3.4	National Level Watershed Development Programmes	14
3.4.1	Watershed development programmes of Ministry of Agriculture	14
3.4.2	Programmes of the Ministry of Rural Development	25
3.4.3	Externally Aided Projects (EAPs)	31
3.4.4	Ministry of Environment & Forests	37
3.4.5	Projects funded by Planning Commission	37
3.5	Physical and Financial Achievements	39
4	Watershed Development Programmes in Different States	40
4.1	Andhra Pradesh	40
4.1.1	General features	40
4.1.2	Watershed development status	43
4.2	Bihar	48
4.2.1	General features	48
4.2.2	Watershed development status	50

4.3	Chhattisgarh	53
4.3.1	General features	53
4.3.2	Watershed development status	55
4.4	Goa	57
4.4.1	General features	57
4.4.2	Watershed development status	60
4.5	Gujarat	63
4.5.1	General features	63
4.5.2	Watershed development status	68
4.6	Haryana	73
4.6.1	General features	73
4.6.2	Watershed development status	75
4.7	Himachal Pradesh	78
4.7.1	General features	78
4.7.2	Watershed development status	82
4.8	Jammu and Kashmir	85
4.8.1	General features	85
4.8.2	Watershed development status	87
4.9	Jharkhand	90
4.9.1	General features	90
4.9.2	Watershed development status	91
4.10	Karnataka	94
4.10.1	General features	94
4.10.2	Watershed development status	97
4.11	Kerala	103
4.11.1	General features	103
4.11.2	Watershed development status	105
4.12	Madhya Pradesh	109
4.12.1	General features	109
4.12.2	Watershed development status	112
4.13	Maharashtra	119
4.13.1	General features	119
4.13.2	Watershed development status	122
4.14	North-Eastern Hill States	125
4.14.1	General features	125
4.14.2	Watershed development status	128
4.15	Orissa	139
4.15.1	General features	139
4.15.2	Watershed development status	142
4.16	Punjab	146
4.16.1	General features	146
4.16.2	Watershed development status	149
4.17	Rajasthan	152
4.17.1	General features	152
4.17.2	Watershed development status	156

4.18	Tamil Nadu	160
4.18.1	General features	160
4.18.2	Watershed development status	161
4.19	Uttar Pradesh	165
4.19.1	General features	165
4.19.2	Watershed development status	167
4.20	Uttarakhand	172
4.20.1	General features	172
4.20.2	Watershed development status	174
4.21	West Bengal	186
4.21.1	General features	186
4.21.2	Watershed development status	188
5	Emerging Trends and Perspective	191
5.1	Future Projections	191
5.2	<i>Hariyali to Neeranchal</i>	191
5.3	Common Guidelines for Watershed Development Projects	
5.3.1	Key features of guidelines	192
5.3.2	Institutional arrangements	193
5.3.3	Criteria for selection of watershed projects	195
5.3.4	Project management	196
5.3.5	Allocation of funds and distribution of budget	196
5.3.6	Capacity building	198
5.3.7	Monitoring, evaluation and learning	199
5.3.8	Outcomes/End results	199
