

Soil and Water Conservation Training for Odisha Officers

A five days short training programme on '**Soil & Water Conservation and Watershed Management**' was organized at ICAR-Indian Institute of Soil and Water Conservation (IISWC), Dehradun during 6-10 April, 2015.

Different aspects of natural resource conservation and integrated watershed management approach to achieve sustainable productivity were covered under the training course. The participants visited of institute museum for exposure on soil and water conservation technologies.

Twenty officers of different disciplines from 9 districts of Odisha were participated in the training programme. The training programme was sponsored by Director, Institute on Management of Agricultural Extension (IMAGE), Bhubaneswar, Odisha.
