## DG, ICAR visits the ICAR-Indian Institute of Soil and Water Conservation Research Centre, Chandigarh

20<sup>th</sup> September 2018, Chandigarh

Dr. Trilochan Mohapatra , Secretary (DARE) & Director General (ICAR) visited ICAR-Indian Institute of Soil and Water Conservation (ICAR-IISWC), Research Centre, Chandigarh for a high level meeting on management of crop residues today. He was accompanied by Dr. K. Alagusundaram, Deputy Director General (Agricultural Engineering&Natural Resource Management)

While interacting with staff of the center, Dr Mohapatra urged that ongoing projects should have immediate impact and benefit on the farmer's income. He also emphasized on making short technology brochures, which should be able to impress the stakeholders even by a quick glance and reach to the target audiences with ease.
